

Best Abstract by a Medical Student

Purpose:

The Award has been established to recognize exceptional research presented as an oral or poster presentation and to encourage participation of medical students at the CRA Annual Scientific Meeting (ASM).

Terms of Reference:

1. The first author must be a Canadian medical student under the supervision of a CRA member.
2. The award consists of a \$1000 cheque and a certificate.
3. The award shall be presented annually at the ASM.

Accountability:

1. The oral or poster presentation will be adjudicated by 3 CRA members during the CRA ASM.
2. The recipient will acknowledge the award in subsequent publications.
