

Best Abstract by a Rheumatology Post-Graduate Research Trainee

Purpose:

The Award has been established to recognize exceptional research presented as an oral or poster presentation and to encourage participation of a Rheumatology Resident (PGY 6/7) who has undertaken research during a Master's or PhD program at the CRA Annual Scientific Meeting (ASM).

Terms of Reference:

1. The first author must be a rheumatology resident (PGY 6/7) presenting research completed in pursuit of a Master's or PhD degree.
2. Projects previously awarded in this category will not be considered in consecutive years.
3. The award consists of a \$1000 cheque and a certificate.
4. The award shall be presented annually at the ASM.

Accountability:

1. The award will be adjudicated by at least 3 CRA members during the poster or podium sessions.
2. The recipient will acknowledge the award in subsequent publications.
